## THE MASON & FOARD CO.

Commissioner Posey's Report  
Filed and the State Shown  
to be Indebted to the  
Company.

### Gov. Brown Again at Fault.

At last the long disputed issues between the State and the Mason & Foard Co., the late lessees of the penitentiary, are in a fair way for a settlement. The Mason & Foard Co., if Commissioner Posey's findings be sustained by Judge Cantrill, to whom he made his report Wednesday, will not only defeat the State, but turn the table and show that the State is owing \$12,324 to the company.

It will be recalled that it was in regard to the accounts of the prison lessees about which Gov. Brown and Secretary Headley disagreed with the majority of the Sinking Fund Commissioners, the former holding that the company owed the State \$50,000 and the latter that a fair adjustment of the accounts would about strike a balance. At the last term of the court Judge Cantrill, on a mere statement of the case, set aside about \$32,000 of the amount which the Governor insisted was due the State for the pay of guards at the Eddyville peniten-

tiary before it was completed, and notwithstanding the fact that the State herself had not paid for any such guards. The case was then referred to the commissioner for proof and a careful auditing of the accounts, and this immense labor embracing vast volumes of testimony of most all the State officials of the former and present administration and the members and employees of the company, together with a complete report of forty type-written pages, detailing each item and the reasons why it was allowed or disallowed, is finally summarized by the commissioner as follows:

#### FOR PLAINTIFF.

|   |          |
|---|----------|
| Extra Guards  | \$1,153  |
| Two escaped convicts paid for by State                              | 232      |
| Officers guards, &c., at Eddyville, Dec. 24, 1890, to Feb. 28, 1893 | 22,653   |
| Convicts escaped from Frankfort April, 1885, to April, 1889         | 5,650    |
| Interest, &c.   | 1,827    |
| Total   | \$31,515 |

#### FOR DEFENDANT.

|  |          |
|--|----------|
| Labor, material and work of convicts by Warden in improving grounds    | \$2,036  |
| Repairs to State's property  | 214      |
| Balance on contract for construction of Eddyville prison, and interest | 24,711   |
| Pumping water  | 3,285    |
| Broken stone and macadamizing inside prison walls                      | 13,125   |
| Interest, &c.  | 468      |
| Total  | \$43,839 |

The law points will be argued one day next week when it is expected that Judge Lindsay, who is attending the United States Senate, will return home to be present when the case is called. Mr. John W. Rodman is co counsel for the Mason & Foard Co. and Attorney General Hendrick and Hon. Jno. D. Carroll represent the State.

After all the charges and counter charges, the assault by Gov. Brown on ex-Gov. Buckner and the caustic and vigorous defense in a Junius style by the latter gentleman, the case is likely to be decided in a way that will not only clearly vindicate the late administration but furnish proof as well that Gov. Brown, when he wantonly raised such a row over the matter as to cause the lessees to withdraw their contract and thereby burden the tax payers with the maintenance of 1,200 idle convicts at an expense of \$10,000 a month, was not actuated by any higher motive than to obtain revenge for the loss in the Democratic convention of Lyon county, in which the company was actively interested in another candidate, and Hart county in which ex-Gov. Buckner likewise exercised his personal preferences.

Sing a song of common sense,  
A mind that's full of try,  
A man who knows a thing or two  
And shows it in his eyes—  
Who's well aware the medicine  
That's best for you and me  
Is always Dr. Pierce's Medical  
Discovery.

You can escape just about one-half the ills that flesh is heir to, by being ready for them. When you feel dull, languid, "out of sorts" generally—then you may know that some of them are coming. Don't let them get any further. Brace the system up with Dr. Pierce's Golden Medical Discovery. That prevents as well as cures. It invigorates the liver and kidneys, purifies and enriches the blood, sharpens the appetite, improves digestion, and restores health and vigor.

## THE CITY COUNCIL.

The Approaches to the Bridge  
to be Paved With Brick.

TUESDAY, SEPT. 19, '93.

President Milam and all the councilmen were present.

The minutes of the last meetings were read and approved.

Judge Hord was present and presented a petition of citizens of Wapping and Wilkinson streets, asking that the nuisance created by the blowing of the Choate & Graham whistle at their mill be abated. The matter was referred to the ordinance committee, who were instructed to have the Marshal abate the nuisance.

The ordinance to grant the Water Company the right of way over the St. Clair street bridge was read, and, after some debate, it was referred back to the committee, to be reported back to the next meeting of the council.

Jas. W. Woolfolk, of color, appeared before the council and asked an investigation of all the facts in his case before final action was taken in relation to discontinuing his license. After considerable debate on the subject, the council finally by a unanimous vote ordered the place closed.

Mr. Ellwanger offered an ordinance to allow the Capital Electric Street Railway Company the right to sell and lease electricity for heating and motive power and for other purposes. The ordinance was referred to the proper committee.

On motion of Mr. Watson, the matter in relation to the tollgate on Wilkinson street was referred to a committee of councilmen from the Third Ward.

The petition of citizens living on Wilkinson street in relation to a settlement of their taxes on the same basis as Congleton Bros. was referred to the finance committee.

Mr. Furr moved that the ordinance committee bring in an ordinance creating an additional registration day.

Mr. Watson moved to amend by ordering them to bring in an ordinance also creating a sinking fund. Both motions were adopted.

Mr. McClure moved that the street committee be empowered to advertise for bids for vitrified brick streets for the approaches to the St. Clair street bridge on both sides of the river. Adopted.

The street committee reported in favor of moving the shed of Mr. I. T. West, and allowed him the privilege of building it fifteen feet back, provided he got the consent of the neighbors surrounding him within the limit provided by law.

The city attorney was directed to look into the law in relation to the rights of the city council in ordering an election to vote bonds for brick streets.

The council then adjourned until Thursday night at 7 o'clock.

#### Stamping Ground Colored Fair.

A special train will leave Frankfort at 8 p. m. Saturday, the 23d inst., to accommodate those wishing to go to the fair; returning, leave Stamping Ground at 11 p. m. Fare 40 cents.

## THE FRANKFORT NATIONAL

Goes Into Voluntary Liquidation.

In obedience to a circular sent out by Mr. R. D. Armstrong, Vice President, a meeting of the shareholders of the Frankfort National Bank was held on Thursday to consider the question of closing out its business. The meeting assembled at 10 a. m., and after a committee, composed of Messrs. John C. Herndon, G. W. Hall and John T. Buckley, had been appointed to prepare a statement of the condition of the bank, adjourned to meet at 3 o'clock p. m. At the afternoon meeting the committee made a report showing the bank to be in a perfectly solvent condition, and recommended that the business be continued. After considerable discussion the vote was finally taken and it was decided to go into liquidation. The Vice President, Cashier and present board of directors were appointed a committee to take charge of the bank and wind up its affairs.

#### Mrs. R. C. Rheas.

Of Milford, Neb., says she suffered greatly from a complication of diseases of female weakness and liver and kidney troubles. Her health was fully restored by using Dr. Hale's Household Tea, the most pleasant and effective medicine known. 25c. and 50c. per package at P. H. CARPENTER'S drug store.

#### He's Not In It.

Mayor Richard Tobin has written a card withdrawing from the race for the Democratic nomination for re-election. This leaves Judge Ira Julian and ex-Mayor Lewis Mangan the only announced candidates for the position of Mayor.

#### Putting up the Wires.

Workmen have been engaged this week in putting up the wires for the new electric lights on the streets so that as soon as the large dynamo and engine are received and put up every thing will be in readiness to turn on the light.

It's a strong stomach that can stand the ordinary pills, with their griping and violence. What kind of a man or woman can it be who buys them? It's some one who doesn't know about Dr. Pierce's Pleasant Pellets—that's certain. They're better—they're the best, in every trouble of the liver, stomach, and bowels. They do more good, do it easily and naturally, and do it so that it lasts—cleansing and regulating the whole system. Sick and Bilious Headache, Constipation, Indigestion, Bilious Attacks, Dizziness, are surely prevented, quickly relieved, and permanently cured. They're the cheapest pill you can buy, too, for they're guaranteed to give satisfaction.

## Change of Place for the Races.

The trotting races advertised to take place at Col. Pepper's track Tuesday evening next will come off on Mr. R. C. Church's track at the Forks of Elkhorn. Arrangements have been made with the Kentucky Midland Railway to run a special train, to convey all who wish to attend, to Elkhorn station. Some good horses have been entered in the several races and it is expected that first rate time will be made. Go out and see the fun.

The train will leave the city at 1 o'clock p. m., and return after the races are over.

Captain Sweeney, U. S. A., San Diego, Cal., says: "Shiloh's Catarrh Remedy is the first medicine I have ever found that would do me any good." Price 30 cents. Sold by W. McKee Hardie.

### IN THE WRECK.

#### Two Former Frankfort Men Victims of a Railroad Accident.

A rear-end collision between two trains on the Big Four Railroad occurred at Manteno, Illinois, on Monday night, in which nine persons were killed and a large number injured.

Among the killed was Mr. J. G. Sweet and among those injured was Mr. L. H. Blanton, both of whom formerly resided in this city. Mr. Sweet came here early in the 70's as a sewing machine agent and was also an auctioneer. He removed to Louisville about 1875 and had since made that city his home.

The Mr. Blanton mentioned is Mr. Harvie Blanton, nephew of Messrs. Jacob and Joe Swigert and brother-in-law of Mr. J. W. Pruett. He was born and raised in this city, but removed to Indianapolis, Indiana, some fifteen years ago, where he has since been in the milling business. Telegrams received by relatives state that he was severely bruised about the body, but was able to be removed to the hospital in Chicago. Mr. Lucas Brodhead, of Woodford county, was with him at the time and was considerably shaken up but escaped unhurt.

### BEWARE OF TYPHOID.

#### Thoroughly Cleanse Premises and Boil all Drinking Water.

The ravages of typhoid fever in certain seasons and years are said to be almost as great as cholera. Just now, as the doctors are warning us, the conditions are peculiarly favorable to the propagation of typhoid and if the citizens desire to avoid an epidemic they must see to it that their premises are thoroughly cleansed and disinfected and that no water, especially the green filthy water in the hydrants, is drunk by any member of their family before it has been boiled for at least two hours. An ounce of prevention is worth pounds of cure, particularly when life is the forfeit.

2,228,872.

These figures represent the number of bottles of Dr. King's New Discovery for Consumption, Coughs and Colds, which were sold in the United States from March, '91 to March '92. Two Million, Two Hundred and Twenty-Eight Thousand, Six Hundred and Seventy-Two bottles sold in one year, and each and every bottle was sold on a positive guarantee that money would be refunded if satisfactory results did not follow its use. The secret of its success is plain. It never disappoints and can always be depended on as the very best remedy for Coughs, Colds, etc. Price 50c. and \$1.00. At PHIL. CARPENTER'S Drug Store.

### From December to September.

In another column will be found a notice of the annual meeting of the stockholders of the Frankfort Water Company, which will be held at the office of the corporation, in this city, on Wednesday next. Heretofore the stockholders have assembled in December, but at the last annual meeting the time was changed to the fourth Wednesday in September, hence the calling of the stockholders together next Wednesday. Those interested should bear in mind the change and be on hand.

### Meets Here Next Year.

The annual session of the Kentucky Conference of the Methodist Church South adjourned at Maysville Tuesday morning to meet in this city in September, 1894. Rev. H. G. Henderson was returned to the care of the church in this city for another year and Rev. Joseph Rand was re-appointed Presiding Elder of this, the Lexington, district.

### Two Preachers This Year.

Cedar Chapel Methodist Church, this county, has the good fortune of having Rev. S. W. Peoples as its pastor this year, with Rev. Chas. Moore, an elegant young minister, as junior preacher. Rev. Peoples was the pastor years ago, when a student at the K. M. I. Both are unmarried.

### A Good Thing to Keep on Hand.

From the Troy (Kansas) Chief.

Some years ago we were very much subject to severe spells of cholera morbus; and now when we feel any of the symptoms that usually precede that ailment, such as sickness at the stomach, diarrhea, etc., we become scared. We have found Chamberlain's Colic, Cholera and Diarrhoea Remedy the very thing to straighten out in such cases, and always keep it about. We are not writing this as a pay testimonial, but to let our readers know what is a good thing to keep handy in the house. For sale by J. W. Gayle.

### THE OLD WOODEN BRIDGE Is Falling Down.

Day by day it is gradually being taken down by the army of workmen and it will soon be a thing of the past. But you must remember that we will be with you to supply your wants with the greatest and cheapest lines of Fall and Winter dry goods, cloaks and notions ever displayed in Frankfort.

We have bought from a large furniture factory a lot of solid oak, highly finished Book Cases, Tables and Music Racks which we shall give away when you make a cash purchase. Ask for a card and we will explain. When you want bargains call on us.

### A LAW QUESTION.

A Franklin County Magistrate and Ex-Chief Justice Holt Disagree.

### A COMMUNICATION.

#### To the Roundabout.

For an explanation: When an attachment is issued from a justice's court and is properly executed, does it not hold a lien on the property it is executed upon?

The Hon. Judge Holt says it is void and is set aside and another man may come in and get the property who had an assignment that was made to him after the attachment was executed. Some things are very curious these days.

We once knew a case that went from a justice's court and his decision went to the Court of Appeals and was reversed back to the justice's court from whence it came, now tell me was it void? The Hon. Cantrill said the law was against the poor justice because his record wasn't in court. Did he doubt that the record wasn't as the papers before His Honor?

### A POOR JUSTICE.

#### Fail to do Their Duty.

Everybody has at times failed to do their duty towards themselves. Hundreds of lady readers suffer from sick headache, nervousness, sleeplessness and female troubles. Let them follow the example of Mrs. H. Herbecker, Stevens Point, Wis., who for five years suffered greatly from nervous prostration and sleeplessness, tried physicians and different medicines without success. But one bottle of Dr. Miles' Nervine caused sound sleep every night and she is feeling like a new person. Mrs. Elizabeth Wheeler, Laramie City, Wyoming, who tried all other remedies, declares that after three week's use of the Nervine for Headache, Nervous Prostration, etc., she was entirely relieved. Sold by J. W. Gayle. Trial bottle free. 1

### FRANKFORT ROUNDABOUT

Entered at the post-office at Frankfort, Kentucky, as second-class matter.

GEO. A. LEWIS, Editor and Pub.

FRANKFORT, SEPTEMBER 23, 1892.

#### DEATH OF MR. CHARLES E. HAFF.

##### His Brother a Corpse at the Time.

The not unexpected news of the death of Mr. Chas. E. Haff reached this city Thursday morning and was received with regret by all who knew him. It was hoped at the time he left home several weeks ago to visit his parents in Clinton county, New York, that the change would be beneficial to him, as he returned from a trip there last year much improved, but the disease, of which he had been a victim for two years, had too strong a hold upon his constitution, and he grew gradually worse until it was evident that the end was approaching and his wife was telegraphed for. He passed away Wednesday afternoon in the 51st year of his age.

His eldest brother, LeRoy, who had been in bad health all summer, died Tuesday night, and this last blow has bowed the aged parent under a double weight of grief. The funeral took place Wednesday afternoon and the two brothers were buried side by side.

Mr. Haff was born and raised near Peru, New York, but came to this city in 1869 and became a clerk in the grocery of Mr. John E. Day, remaining until 1871, when he returned to New York. In the summer 1872, upon the death of Mr. Walter Day, he returned here and took charge of the business of his former employer and in a short time was made a partner—the firm becoming Day & Haff, and has so remained ever since. The business prospered and in addition to their grocery here they purchased several distilleries in Anderson county, which proved paying investments, as the brands of whiskey manufactured by them soon became popular, and they have never found any trouble in disposing of their goods at fair prices.

Mr. Haff was an upright, honorable gentleman, correct in all his dealings, of a quiet, unassuming disposition, and a good citizen whose loss we deeply deplore.

In 1876 he married Miss Mary R. G. McIntire, of this city, who survives him, and her lot in life is now an exceedingly sad one, as she is utterly alone in the world. They had no children and all her near relatives are dead. But she has many warm friends here who deeply sympathize with her in her dire distress.

### Circuit Court.

Saturday morning was devoted to civil business and quite a number of cases were disposed of, among them being many suits for divorce. In regard to these cases Judge Cantrill said:

"The docket of this court has about twenty-five cases for divorce, and from the flimsy pretexts that many of the complainants set up it would seem they supposed the Judge, without law or respect for the sacred tie of matrimony, would have no hesitation whatever to annul the bond which the church holds, that God hath put together no man must put assunder.

"I propose to be governed by the law, but complainants in such causes will find my court a rough and hard road to travel.

"I will not allow amended petitions or uncorroborated testimony of a son against a step-mother or other close relative who might have a personal end to gain in the divorce."

Holding up one case, he continued: "Here is a couple who have lived together for fifty years and now at the close of life ask for a divorce. There is nothing in the petition to warrant such a decree and I therefore dismiss the case. Here is an old man who married a very young girl and says that she left him. The man's son testifies to this, but that is not sufficient. People who contract such alliances must know what they are doing and not expect relief from this court for the mere asking of it. The case is dismissed.

Here is another case of a young couple who claim that they love each other, but in support of his petition he alleges that she has been unfaithful to him when from the evidence adduced it is nothing more than a fit of jealousy on his part and a young and pretty woman's vanity for admiration on her part."

At this the wife, who was in the court-room, burst into tears and the Judge dismissed the petition and told the husband to go back to the woman who had not ceased to love him. The couple left the court room together.

Of the twelve petitions considered only two were granted and one was submitted for trial. The rest were dismissed.

Monday morning the suit of Joseph Downing vs. S. T. Pence was taken up, and after some time consumed in selecting a jury the trial was begun about noon and was not concluded until Wednesday evening, when the jury returned a verdict for the defendant.

The plaintiff was employed at the mill of Pence in Bellepoint last year, and was engaged in brazing a saw at a forge near a tool-house in which an open keg of powder had been placed. A spark from the forge fired the powder and the explosion which followed wrecked the building and put out both of Downing's eyes, for which he brought suit against Pence laying his damages at \$20,000.

Thursday morning the juries were dismissed until Monday and chancery cases have since been considered.

### Illinois—Kentucky.

From Danville, Ill., Mrs. H. J. Nabor writes: "I have been using your remedies for scrofula and am greatly benefited. My back was almost a solid sore. Two boxes of Dr. Hale's Household Ointment healed it entirely."

From Olive Hill, Ky., Mrs. M. J. Matney writes, May 13, 1892: My daughter has been afflicted with erysipelas in her eyes from infancy. She is now past 12 years old and one box has cured her. It costs no more to get the best. Get a box at P. H. CARPENTER'S DRUG STORE.

### Complimented the Management.

Messrs. Ringling Bros. complimented the managers of the K. M. Railway very highly for the manner in which they handled their business. They said that although they had been on the road many years they had never found a road which would handle their trains so promptly and give them so little trouble before. General Superintendent George B. Harper was up all night Tuesday and Wednesday nights and gave his personal supervision to the moving of the trains, consequently not a hitch occurred either in getting the company, with its immense amount of stock, baggage and appurtenances, into town or out again.

### The Frankfort Reel.

Messrs. B. C. Milam & Son, of this city, were awarded a premium upon their world famous fishing reel at the World's Fair on Monday. The premium was justly awarded as the reel manufactured by Messrs. Milam has no superior in the world.

Mr. J. L. Sage, who was many years superintendent of the gas works in this city, but now a resident of Lexington, was also awarded a premium upon a reel made by him. Mr. Sage commenced the manufacture of reels in this city before removing to Lexington, and his may also be considered a Frankfort reel.

Frankfort has long been famous for producing the best reel made, and the popularity attained by the Meek & Milam of old times and the Milam reel of later years led other to embark in the business. Mr. B. F. Meek, who was for many years an honored citizen of this city, and for a long time associated with Capt. B. C. Milam in the watch and clock repair business and reel manufacture, left here some ten years ago and opened a reel manufactory in

Louisville, where he is turning out a superior article and doing well. Mr. Sage shortly after established his business here and removed it to Lexington. Messrs. Geo. W. Gayle & Son also began the manufacture about the same time, and several years ago removed their factory to the country, where they are making several grades of first class reels, for which they find good sale.

Mr. John B. Meek, son of the man who made the first fishing reel in this city a half century ago—the late Jonathan Meek—has now concluded to go into the manufacture of them and has opened a shop at his home on Taylor avenue.

Other places may be able to surpass us in the products of almost any other industry, but, although the Frankfort reel has many imitators, none have ever yet been produced which could approach it in point of excellence and durability. It stands at the head of the list, and will always carry off the honors wherever shown.

### The Verdict Unanimous.

It pleases the lawyer and his client too, to have the verdict of the jury unanimous. A great jury composed of the American public has rendered an unanimous verdict on Dr. Hale's Household Cough Cure as a medicine, agreeing that its promise of a speedy cure for coughs, colds and bronchitis troubles are always carried out to the letter. This pleasant verdict has not been obtained without great pains taken to make it the best cough cure on the market. Try a bottle when you have a cough or cold and you will belong to the "unanimous" ever after. For sale by P. H. CARPENTER, druggist.

### Heywood's Celebrities.

Milom's Theatre was open last night for the first of three performances by Heywood's Celebrities, and a cultured audience gathered to hear the many excellent things promised.

The company scored a success of the most undoubted kind. Every number was enured and the performers kindly responded to the demands, but the performance was not prolonged to an unreasonable hour, nor was any one wearied. It was one high-class number after another throughout the evening, and the people present were unanimous in their praise of the gifted ladies and gentlemen constituting the company.

Nothing could have been more refreshing in the dreary waste of ordinary theatricals than this entertainment. From the opening piece, "The Song of the Troubadour," to the "Greeting to Spring," which closed the evening, every selection was a gem.—Nashville, Tenn., Daily American, December 14.

At the Opera House October 3d.

#### AT NOONTIDE.

Wickliffe Chapman, a Most Lovable and Popular Citizen Cut Down by Death.

#### A SKETCH OF HIS LIFE.

Wickliffe Chapman, admired and loved by every one who knew him, fell asleep in death last Monday night. He had been suffering for a week or more with a very severe cold in the head and chest, but did not consider it of sufficient importance to remain at home until last Wednesday, when he went to bed, never to rise from it again. His condition grew worse and Doctors Williams, Ely, Hume and others were summoned to attend him, but pneumonia had already set in and both lungs were quickly involved.

The deceased was born near Bowling Green forty-two years ago. His father was David Chapman, the first white child born in Kentucky south of Green river. His mother, who was a widow at the time of her marriage to Mr. Chapman, sr., was the mother of the wife of ex-Gov. Knott. When he was quite young Mr. Chapman's parents died and his half-sister, Mrs. Knott, assumed the care of his rearing and was as much devoted to him as if he had been her own child.

The first venture in life by the deceased was to become assistant editor of the Bowling Green Democrat. Afterwards he went to Iowa for a few years and returned to Elizabethtown and purchased the News, of which he made a sprightly paper, and added considerably to his reputation as a writer. He then sold the News to Col. H. M. McCarty, deceased, and opened a drug store in Louisville at the corner of Brook and Jacob streets, and was doing a large and profitable business, when, in 1883, he accepted the appointment from Adjutant-General Castelman of Assistant Adjutant-General, and came to this city to reside at the Executive Mansion with Gov. and Mrs. Knott. During the four years of Gov. Knott's administration the duties of host and hostess at the Mansion, on account of Mrs. Knott's delicate health and Gov. Knott's labors at his office, devolved chiefly on Mr. and Mrs. Chapman, and it is no small praise to say that they discharged those duties with such exceeding grace and genuine hospitality as to leave an agreeable impression in the minds of the people of this city that a lifetime will not efface. The many friends he made here in those years of his official life attached Mr. Chapman to Frankfort and induced him to open a drug store jointly with Mr. J. W. Gayle at the corner of Ann and Broadway and make this city his future

home. Later he dissolved partnership with Mr. Gayle and bought the drug store on Main street formerly conducted by Mr. Richard Chiles, deceased. Mr. John Williams became associated with him and no drug firm has had a larger patronage in the city than that of Chapman & Williams.

In 1877 Mr. Chapman married Miss Edith Gaither, who was a native of Springfield, Ky., but who had lived a part of her life in Elizabethtown and in Jeffersonville, Ind.

In her bereavement, and for Mrs. Knott and his brother, Mr. John D. Chapman, and sisters, Mrs. McElroy and Mrs. Ash, of Bowling Green, and Mrs. Jas. D. Chapman, of Lebanon, the entire community feel the profoundest sympathy. In fact no death has occurred here for years which awakened more sorrow and painful regret. Tender and gentle as a woman, with a mind as pure in thought as his heart was free of guile, giving expression to nothing that did not strengthen the weak, heal the sore and distressed in mind and body and fill the soul with the noblest aspirations, Wickliffe Chapman has entered into rest and claimed the reward of a righteous man.

A private funeral ceremony at the family residence was conducted by Rev. Dr. Blayney, of the First Presbyterian Church, of which he was a member, and the remains were taken to Lebanon Tuesday night and buried in the cemetery Wednesday beside his parents. The bereaved wife was so prostrated with her grief as to require the attention of a physician, and she and Mrs. Knott were unable to accompany the body to Lebanon.

#### Death Liberates From Prison.

Henry Jones, of Georgetown, a convict in this penitentiary who was sent up for ten years for manslaughter and had served his time out, with the exception of two weeks, died of consumption Monday night. His wife obtained a divorce from him after his incarceration and as no one could be found to claim his body, it was buried on the hill side in the prison bury ground Wednesday morning.

#### Deaths.

**HOLEMAN**—Mrs. Margaret Holeman, widow of the late W. B. Holeman, died Sunday at her home on East Main street, of general debility and extreme age, in her 90th year. Her maiden name was Major and she was a cousin of Judge P. U. and the late S. I. M. Major. She had been a member of the Episcopal Church for many years and was one of the earliest communicants of Ascension Church in this city. The funeral took place Monday and the remains were interred in the cemetery.

She leaves four children, viz: Rev. F. R. Holeman, of Florida; Mr. Wm. M. Holeman, of Louisville; Mrs. James M. Jones, of Whitley county, and Miss Nora Holeman, of this city, to mourn her loss.

Her late husband was for twenty odd years marshal of this city and one of the most fearless men who ever filled the position of peace officer. He died in Florida some eight or ten years ago.

**SMITH**—Mrs. Ella B. Smith, wife of Samuel R. Smith, Esq., died at the home of her husband, on Shelby street, Wednesday morning, aged about 45 years. The deceased was a daughter of the late John L. Moore and a kind-hearted, good neighbor, affectionate wife and mother. She had been a sufferer for many long months, and while her death was a sad blow to a loving husband, daughter and aged mother, it was to her a sweet relief from intense pain. She had been, since early girlhood, a member of the Christian Church and the blessed promise of rest beyond the tomb soothed her dying hours.

The funeral took place yesterday morning from the family residence, the services being conducted by Rev. Thos. N. Arnold, and the remains were laid to rest in the "city upon the hill."

**TOBIN**—An infant son of Mayor Richard Tobin died Wednesday morning, aged two days.

**NICKLES**—Mr. Wat Nickles died at the home of his brother, Mr. Frank Nickles, in this county, on Thursday, aged about 58 years. The deceased was a veteran of the late war, having been a soldier in the Sixth Kentucky Federal Cavalry.

**PARKER**—Mrs. Susan Parker died at her home on Arlington Heights Tuesday night, after a protracted illness, aged 72 years.

#### Lost His Reasoning.

Mr. Albert H. McClure, one of the brightest young men of Centre College, was here a few days this week by accident. He started from his home in Frankfort, Ky., with the intention of again matriculating at "Old Centre," but lost his reasoning and got off at Harrodsburg instead of Danville. He seemed to be under the impression that the famous old institution of learning was situated somewhere on C. & N. Run.—*Harrodsburg Democrat.*

#### Swinging Around the Circle

Of the diseases to which it is adapted with the best results, Hostetter's Stomach Bitters, a family medicine, comprehensive in its scope, has never been thrust upon public attention in the guise of a universal panacea for bodily ills. This claim, daily arrogated in the columns of the daily press by its proprietors, of medicines far inferior to its specifics, has in a thousand instances disgusted the public in advance by its absurdity, and the prospect of other remedies of superior qualities have been handicapped by the pretensions of their worthless predecessors. But the American people know, because they have settled the fact by the most trying tests, that the Bitters possesses the virtue of a real specific in cases of nervous, rheumatic, stomach and kidney trouble. What it does it does thoroughly, and mainly for this reason it is endorsed and recommended by hosts of respectable medical men.

#### THE CIRCUS.

Ringling Bros. Away Ahead of All Shows That Has Been Here for Years.

The Ringling Bros. circus on Wednesday was generally held to be the most interesting menagerie and ring performance that has been in this city for years. The street parade at ten o'clock in the morning stretched out for many blocks and was witnessed by throngs throughout the length of the route. Indeed so great was the crowd that attended both the afternoon and night performances in the immense amphitheatre, it would seem that the United States Senate was not in it with the Ringling Bros. when it comes to a question of restoring confidence on the financial condition of the country. Besides the entertainment afforded by the menagerie and the features of the circus programme, every one of which was performed with the utmost skill and daring, the marked gentlemanly conduct of each attendee of the show, something rarely met with among circus men nowadays, ought in itself commend the Ringling Bros. to the amusement loving public.

#### The Top of the Market.

Messrs. Gordon & Thurman, who raised tobacco on the farm of Mr. Ed. Bailey, near Flag Fork, last year, sold seven hogsheds of their crop in Louisville for the week and received the following prices: \$8.60, \$13, \$15.75, \$12.75, \$17.75, \$22.50, and \$12, averaging \$14.57 per hundred.

### Wants to be Senator Now.

### All Knocked Off.

As the yards of the Kentucky Midland Railway were so blocked with the circus trains Wednesday as to prevent the unloading of the heavier freights, the force of hands at work on the bridge and street railroad knocked off for the day, on account of not being able to get stone for the pier and rails for the track, and all went to the circus.

### The New South and the World's Fair.

No section of the country, East, North or West, taking a greater interest in the World's Fair at present than that portion lying south of Mason and Dixon's line, and typical Southerners, easily distinguishable in the immense throng by the graceful military bearing of the gentlemen and the rare beauty of the ladies, are to be met in great numbers on the Exposition grounds, in the corridors of the leading hotels and at the various social gatherings in the World's Fair City.

To a large extent the success of the Fair depends upon the Southern people; the Board of Managers expect hundreds of thousands of people from South of the Ohio river to attend the Exposition, and from present indications they will not be disappointed. The railroads are making extensive preparations to take care of the people, and their comfort enroute is fully assured.

The Big Four Route, which is the only line making connection in Central Union Station, Cincinnati, through trains of the E. T. V. & G., Queen & Crescent Route, Louisville & Nashville R. R., Kentucky Central Ry., and Chesapeake & Ohio Ry., naturally forms the popular outlet for Southern travel, and to accommodate the business five elegant vestibuled trains, with parlor cars, sleeping cars, dining cars and elegant coaches are run daily from Cincinnati to Chicago, stopping at Midway Plaisance, the Main Entrance to the World's Fair, 60th St., Hyde Park, 51st St., 39th St., 23d St., and running into the new 12th St. Station on the Lake Front.

All the World's Fair hotels and boarding houses are located adjacent to the Big Four stations and passengers via the popular line avoid the long, tiresome transfer across the city necessary by all other lines from Cincinnati. There is positively no other line landing passengers at the stations named, and as it affords in addition to the comfort and convenience a great saving of time and expense, all the South who contemplate a trip to the World's Fair should be sure to ask for tickets via the Big Four Route.
